

ZÉLL-V®

Cellular Therapy

Forty-six-year-old Elaine Kang, Malaysia's well-known multi-lingual songstress, has been in the showbiz for about 30 years. Throughout these years, she remains youthful, ravishing and popular as ever. She attributes her enduring success to ZÉLL-V – the world's most advanced cellular therapy.

Elaine Kang shares: "Ever since I took ZÉLL-V Sheep Placenta Extract, people have commented that I looked much younger. Personally, I feel that my skin has become crystal clear and glowing. I also feel energetic and alert throughout the day! ZÉLL-V is truly my elixir of youth and beauty!"

Exclusively formulated by Swiss and German medical experts, ZÉLL-V revitalises our whole being from cellular level. As cells are the most basic building blocks of the body, when our cells are rejuvenated, youth, health and vitality will be regained.

ZÉLL-V has enabled Elaine to look much younger than her age and achieve lasting success in her career. You too, can enjoy optimum health, vitality and beauty with ZÉLL-V. Grab this opportunity to look and feel 25 always!
