#### **Testimonials from Satisfied Customers**

#### Mr Tan, 55 Years old

"As I turned 55, my sexual performance began to deteriorate. This made me very upset. I was then recommended to Zendic Plus by a friend. After taking it for a short period of time, I begin to feel full of energy and vitality. My sexual relationship with my wife has also improved tremendously. Thank you Zendic Plus for restoring my self-esteem and enabling me to enjoy great sex even in my later years!"

#### Ben Chan, 41 Years old

"I have diabetes and hypertension for many years and I used to feel tired and listless all the time. After taking Zendic Plus, I immediately feel the difference. Nowadays I always feel fresh and full of energy. My complexion has also become more robust and my legs are no longer numb. Even my blood pressure and sugar levels have also dropped! Many thanks to Zendic Plus for helping me to regain my health and vitality!"

#### Mike Lee, 33 Years old

"I just got married and my wife is 10 years younger than me. I wish to give her the greatest happiness possible, so I decided to give Zendic Plus a try. In just one week, my physical and mental fitness have improved significantly. I'm able to work more efficiently during the day and still have boundless energy and passion for sex at night. Thank you Zendic Plus for enabling me to enjoy a wonderful marital life!"

### Maca Radix Lepidium Meyenii National Treasure of Peru

Maca, a plant native to the Andean Highlands of Peru, has been used by the locals as an aphrodisiac and remedy for various ailments for centuries. Studies and small scale clinical trials have shown that maca extracts have the potential to increase libido, sperm quality and volume as well as alleviate sexual dysfunction. Other benefits include improving physical strength, elevating the mood and alleviating anxiety.

#### Tongkat Ali Radix Eurycoma Longifolia

Originating from Malaysia and Indonesia, Tongkat Ali is dubbed the "Treasure of Southeast Asia" and was traditionally used for its antimalarial, aphrodisiac, anti-diabetic, antimicrobial and antipyretic activities. Today, it is widely used as a male sexual tonic due to its ability to boost men's testosterone levels, libido, stamina and sexual performance.

#### Black Cumin Seed Semen Nigella Sativa

For centuries, Black Cumin has been considered one of the most potent herbs in the Middle East. Due to its powerful anti-oxidant properties, it is commonly used to treat a wide variety of inflammatory ailments such as asthma, bronchitis and rheumatism; and to maintain the health of the circulatory and immune systems. It is also used to increase sexual drive and promote general health.

#### Ashwagandha Radix Withania Somnifera

Ashwagandha (Indian Ginseng) has been used for thousands of years in Indian Ayurvedic medicine. It is known to boost the immune system, ease stress, increase sperm count and quality. Kama Sutra, the ancient Indian text on love and sexuality, mentions that Ashwagandha promotes peace of mind and sexual health as well as heightens the sexual experience.

#### **Damiana** Folium Turnera Difussa

Damiana leaves have long been used as an aphrodisiac and to boost sexual potency by the natives of Mexico. Studies have demonstrated the efficacy of Damiana in increasing sexual activity of impotent male rats. Today, Damiana tea is still popularly consumed for sexual enhancement, relaxation and to increase energy and stamima.

#### **ZENDIC PLUS**

Zendic Plus is a premium health supplement formulated from six natural active ingredients traditionally used for men's health.

The extracts of Maca (Lepidium Meyenii), Tongkat Ali (Eurycoma Longifolia), Black Cumin Seed (Semen Nigella Sativa), Ashwagandha (Withania Somnifera), Damiana (Turnera Diffusa) and Watermelon (L-Citrulline) are renowned for their potent aphrodisiac and medicinal properties. They have been used extensively in Itraditional medicine throughout history.

Zendic Plus combines all six active ingredients in its specially formulated blend to counteract the symptoms of ageing, and the deterioration of sexual, physical and psychological health.

#### **Amazing Benefits**

- Improves circulation
- Strengthens the immune system
- Improves physical, mental stamina and general health
- Enhances libido, sexual ability and performance
- Stimulates the production of sex hormones

#### L- Citrulline (Watermelon Extract)

Watermelon is the greatest edible natural source of L-Citrulline, which is known for its ability to increase the production of nitric oxide in the body. Nitric oxide is involved in vasodilatation (dilation of the blood vessels) and may be effective at reducing pre-hypertension, lowering blood pressure, and increasing blood flow to the sexual organs and heart, without any negative side effects. Watermelon is also rich in fibre, vitamins A, B6, C, potassium and lycopene. Hence, it is able to increase cardiovascular health, sexual function and physical energy significantly.
